SHAPEAI WEB DEV BOOTCAMP

Hi I made this project during the 7 Days Free Bootcamp, conducted by SHAPEAI .
The instructor during the session was Mr. Shaurya Sinha (a Data Analyst at Jio). I got to learn a lot during these 7 days and it was an amazing experience learning with SHAPEAI.

I got to have hands on experience on:
HTML
CSS

during these 7 days, and everything was explained from the very basics so that anyone with zero experience on programming can learn.

I enjoyed these 7 days, you can as well. To register for next free 7 days bootcamp, visit: www.shapeai.tech
